

## MISSIONS AND PRAYER

---

Dear KBC family,

God bless you for your prayers and wonderful support for Pastor Isaac's Children's Ministry and New Hope Generation School in Loki!

He sends the following greetings:

“There are no enough words to describe our hearts felt gratitude. The simply word "Thank you" sound so casual. Nevertheless, I sincerely let you know that we appreciate your great support from deep down our hearts. We know it is a great effort and a great sacrifice you are making on our behalf and on behalf of the children we are supporting.

They might not know but your name will forever be cast in their success, Whatever good, great and positive adults they will become in future will be as a result of your great support you have tirelessly offered.

God who is a great reward will surely reward you now and eternally. We may not be appreciative enough as your generosity may require but God of heaven who sees in secret and who knows our hearts will work in our place and do to you what no man could do. (Isaiah: 58:6ff) you will surely see what God says about what you are doing and that it is not in vain. Also read **James 1:26,27** :speaks of true religion which indeed you do practice.

*If you extend your soul to the hungry  
And satisfy the afflicted soul,  
Then your light shall dawn in the darkness,  
And your darkness shall be as the noonday.  
The Lord will guide you continually,  
And satisfy your soul in drought,  
And strengthen your bones;  
You shall be like a watered garden,  
And like a spring of water, whose waters do not fail.*

We love you and keep you in our prayers always.

May your soul prosper as you prosper in all good things and deed.

Again we say thank you and God bless you.

Isaac and Lucy.”
