1. What is regeneration and why is that important? (Titus 3:5-6; Rom. 8:5-8)
2. Why would most people rather have a “better” self than be born again? Why will a better version of the flesh not work?
3. What is born of the Spirit? (Rom. 8:9-17) How are you relying on the Holy Spirit in your daily life?
4. What makes Nicodemus different from all the other Pharisees? (John 3:1-2) What can we learn from him?
