2. Why do you think the ruler pleaded with Jesus to come to his house specifically?
3. (Isa. 55:9) Do you believe that God has a better way? Why do we sometimes forget that God can have a better way?
4. What is the difference between seeking a solution from God and seeking God himself? Why is that important? (Psalm 20:7; Rom. 11:33-36)
5. When God does not answer our prayer the way we ask of Him, what should we do? (Psalm 27:13-14)
