

## JESUS WALKS ON WATER – JOHN 6:16-21

1. What are some of the differences between Matthew 14 and here in John 6:16-21? Why is that the case (John 20:30-31)
2. Have you ever expected God to act but He did not seem to have done anything? What can we learn from this story?
3. Please read Psalm 89:8-9; 107:23-32, and Colossians 1:16-18. Why does Christ's sovereignty matter in our daily lives? (also read John 16:33; Rom. 8:33)
4. Why do we have the tendency to ask for the waves to cease instead of the strength to overcome the waves?
5. What is God currently doing in your life to draw you closer to Him?
