

## GROWING IN CHRIST – STEP #2 IN BIBLICAL DISCIPLESHIP

1. What is discipleship? (Eph. 4:11-16) What is our discipleship process in our church?
2. What was our old nature like? (Eph. 2:1-3) What direction were we following back then? Are we still following them?
3. Which three natures of God did Paul describe in Eph. 2:4-9? How do they apply to you personally?
4. How does God see you? (Psalm 138:8; Psalm 139:14) Why does that matter?
5. Are you growing in God's love, grace, and mercy more in the past year? Why or why not?
