

## FROM FAITH TO LOVE STEP #1 – FAITH

1. Why does God want a relationship with us? What has He done to ensure this relationship?
2. What blessings has He given you for this relationship?
3. Why is our world so dangerous? How can we have peace in this dangerous world?
4. Of the two circles of life in the message, which one represents you more?  
(danger-control-fear) (surrender-faith-freedom)
5. What is the first step to this relationship with God? Why is that?
6. What are the two main elements concerning our faith in God?
7. Are these two areas growing? Is your faith in God growing? How can you tell? If it is not growing, why not?
