

FROM FAITH TO LOVE STEP #3 – KNOWLEDGE

1. How is our faith in God and the goodness of God connected? How do they support each other? (Psalm 27:13)
2. Are you content with the cycle of mountain top and valley experiences over and over again? Why or why not? How can we climb above this cycle? (2 Peter 1:8-10; Phil. 3:7-14)
3. Why does relationship grow according to knowledge? And how? (Eph. 3:17-20)
4. Why is knowledge so important? What if we only have faith and goodness but no knowledge? (see Rom. 1:21-22)
5. How well do you know Jesus? (John 10:14) Is your faith based on knowledge?
6. Why is it so important to interpret our experience with the truth, instead of interpreting the truth with our experience? Which one do we do more often? (2 Tim. 2:15)
7. How do we know God more in our everyday life? (Prov. 1:7)
