1. Why can opinions be either good or bad? How so? (Judges 17:6)
2. What are the differences between doctrines (2 Tim. 3:16), principles (Phil. 1:9-10), convictions, and preferences?
3. When there are conflicts between brothers, what are we supposed to do? (Matt. 18:15-17)
4. What are the things that we must not do during conflict? (1 Thess. 5:13; 2 Cor. 12:20; Rom. 1:29) Why do you think people gossip?
5. What are we called to do together as a church? (Eph. 4:15-16) How are we supposed to join together?
6. What are the two areas where we must grow based on Eph. 4:15? How are you doing in these two areas?
